- IGV seminar: Trusha Naik. Thursday **8 May** 15.00–16.00, William Olsson hall
- More from Bolin Centre: Tellus Journal launch: **26–27 May**, KVA

Teaching

- The SU student survey went out in 2023. Key points:
 - Strengths:
 - High competence of teachers and strong research quality.
 - Areas for Development:
 - Strengthen visible links between education and future careers.
 - Improve pre-course communication (information and a contact point)
 - Clarify course expectations and encourage questions.
 - Support student social life – many feel alone.

Other

- IGV Environmental review meeting this afternoon to review IGV's environmental goals and progress and alignment with SU policy.
- Welcome Christoph Böttner, who is starting today as Assistant Professor in Marine Seismic Sedimentology.
- Spring lunch **17 June**. Invitation will come out soon. Answer before 5 June.
